## *Dedication*

To one who has played such a large part in each phase of our high school life . . . as our teacher, coach, and friend. In the classroom, you endlessly stressed the importance of education. As a coach, you taught us to play the game well and urged us on to victory while emphasizing good sportsmanship. As a friend, you always had enough time to listen to our problems and to give helpful advice.

As an expression of our gratitude for your service to Epsom High School in the three years that you were a member of the faculty, we dedicate the 1965 RAMBLER to Mr. William J. Matthews.
